WELCOME TO THE CISTM11 in Budapest, Hungary

www.istm.org

On behalf of the Organizing and Scientific Committees of the International Society of Travel Medicine (ISTM), it is our great pleasure to invite you to attend the 11th Conference of the International Society of Travel Medicine (CISTM11) to be held in Budapest, Hungary at the ELTE University Conference Centre from May 24 - 28, 2009.

The goal of the Budapest meeting is to share with all our international colleagues advances in the science and art of travel medicine, presented in a spectacular European city. As usual, educational formats will include Plenaries and Symposia, Workshops, Original Scientific Presentations, Meet the Experts, Case of the Day and Abstract Presentations. Satellite Programs will also be offered. 11th CISTM marks the first time that ISTM has ventured from traditional conference sites in Western Europe and North America. We are confident you will have an engaging scientific, cultural and historical experience in this innovative location in the new Eastern Europe.

Hans D. Nothdurft, MD
